CONCEPT

The Kingdom Training curriculum provides foundational teaching and training through six basic courses taught during a spring and fall session. Over three years, all disciples can complete the curriculum, laying a foundation for growth and faithfulness.

CLASS OVERVIEW

Each of us is on a faith journey, trying to understand why we are here, what God has planned for us, and what is our personal mission. Some may simplify the mission down to a single scripture such as Luke 19:10, "for the Son of Man came to seek and save what was lost." But isn't our mission bigger than just evangelism? Doesn't the Bible provide guidance about my mission in my family, career, relationships, hobbies, and free time? How does my mission apply in different phases of life, whether the teen years, campus, single, married, parent, or grandparent? Isn't God's mission in my life unique based on what God has given me and how I contribute as part of the body of Christ: my gifts, abilities, opportunities, location, situation, health, and personality? How can I apply God's mission in my life, as part of His body, to guide my decisions on a day-to-day basis?

CLASS GOALS

- EXPAND our view of "Mission" – *Do everything for the glory of God* (1 Corinthians 10:31)
- EXPLORE our mission as Jesus' body – *Now you are the body of Christ* (1 Corinthians 12:27)
- ENGAGE our personal mission as disciples – *Run the race marked out for us* (Hebrews 12:1)
